MASONS OBSERVE MAUNDY THURSDAY

Symbolic Lights Extinguished at Impressive Ceremony Last Night.

MASONRY IS LAUDED.

Scottish Rite Masons Gather in Young People's Building—Splendid Musical Programme.

In solemn commemoration of the crucifixion of the Saviour and the extinguishing of the Light of the World Randolph Chapter of Rose Croix of the Scottish Rite Masons, which includes from the fourteenth to the eighteenth degree, held their traditional banquet last night in the Young People's Building.

The ceremony commemorates three events:The "Last Supper," the "Feast of the Passover," and the "Feast of the Young Lamb of the Hindoos." It is a service that is attended by every Knight of Rose Croix in the world, if it be possible for him to reach the Cathedral of any chapter of Rose Croix, no matter where situated, and even if a Knight of Rose Croix be alone in a place, he must, in spirit at least, feast on this day with his brethren." The solemn ceremonies will be finished Easter Sunday afternoon at 3 o'clock, when the lights will be relighted, and the chapter will begin its work of the year.

It was a beautiful and impressive service and was attended by many members of the order and their friends. The decorations of the room were in scarlet and this, the color of the degree, was carried out in the flowers and in the menu cards.

With the assemblage standing in their places at the table the beautiful hymn "O Worship the King," was sung and Rev. Dr. John Lee Allison, D. D., delivered the invocation. The repast which followed was mist appetizing and had been prepared by the ladies who also served it. At the commencement of the supper the traditional "Sader" was eaten in silence.

James E. Alexander, wise master of Randolph Chapter, presided, and in a few well chosen remarks explained the meaning of the celebration. The next toast to the memory of Albert Pike, the great Scottish Rite Mason, was drank in silence.

The following toasts were responded to:

"Our Country Brother," Rev. H. M. Canter, D. D.

"To the Ancient and Accepted Scottish Rite,the sovereign grand commander, James Daniel Richardson and the Supreme Council of the Thirty-third Degree for the Southern Jurisdiction of the United States," Judge C. E. Nicol.

"To the Scotish Rite in Virginia," F. W. Latham, venerable master of Washington Memorial Lodge of Perfection.

"To the Most Worshipful Grand Lodge of Ancient Free and Accepted Masons in Virginia," Right Worshipful Henry K. Field, of the Grand Lodge of Virginia.

"To the Memory of our Brethren of this Degree throughout the world who have 'entered into rest' during the year," mors non seprabit, in siience.

"True Freemasonry a bulwark of Loyalty to the State; a conservator of morality to the community, a defender of the sacredness of home and family," J. E. W. Timberman.

"To all true Masons wheresoever dispersed; the bonds of fraternity circle the earth," Brother William Lewis Allen, past venerable master.

During the evening Miss Marguerite Field sang "When With Doubting and Dreading;" Mrs. Thomas A. Hulfish, "There is a Green Hill Far Away," and Dr. C. E. Outcalt, "Face to Face."

The ceremonies incident to the extinguishing of the lights included the singing of "Miserrere," by the Masonic quartette, composed of R. Samuel Luckett, Henry K. Fileld, Marshall L. Dinwiddie, and Dr. Charles E. Outcalt. Mrs. George E. Warfield was accompanist. The benediction of the chapter ended the ceremonies.

Officers of the Scottish Rite Masons in the city follows: Frank W. Latham, eighteen, venerable master, Washington Memorial Perfection, No. 7; James E. Alexander, thirty-two, wisemaster, Randolph Chapter of Rose Croix, No. 3; Arthur A. Paul, thirty-two, preceptor; Lafayette Council of Knights of Kadsho, No. 2; George T. Burroughs, thirty-two, master of Kadosh, Virginia Consistory No. 2. James M. Duncan, thirty-two, treasures of all bodies; Vernon A. Slaughter, thirty-two, secretary.

NEWS OF THE DAY.

Stephen Van Culen White, known as "Deacon" White who won and lost several fortunes in stock market speculation, died penniless. This was stated by relatives in New York yesterday, who declared that no application for the appointment of an administrator would be made for the reason that there was nothing to administer. "Deacon" White's most noted "plunge" in the market was a purchase of 10,000,000 bushels of corn in 1891. The bottom fell out of the market before he had a chance to dispose of his holdings and his third fortune was swept away. He died in January at the age of 81 years.

The sum of $16,000 was paid in Parkersburg, W. Va., yesterday by G. I. Bunnell, oil magnate, to compromise the suit of Willam D. Peters, a railroad man, for the alienation of his wife's affections. A jury in the Circuit Court awarded Peters $25,000, the full amount sued for. Bunnell, who had previously stated he would appeal the case to the Supreme Court, agreed to compromise and paid also the costs in the case, the total amount being more than $17,000.

Patrick J. Moriarty, a stone mason, saw a little grl about to fall from a third-story window of a Cabot street building in Boston, Wednesday, and, rushing across the street, caught her in his arms before she struck the sidewalk. The girl, who was Helen J. Hutchinson, aged 5 years, was not hurt. I would rather have lost a year's pay than have mssed her," said Moriarty.

As a result of the extension of the classified civil service to include fourth class postmasters and the announcement that postmasters of that class would be asked to qualify in a competitive examination, the Postoffice Department has been flooded with resignations from the service. At present resignations are reaching the department at the rate of about 20 a day and officials declare that about 2,000 fourth class postmasters have resigned since the executive order including them in the civil service was issued. Practically all the resignations are in postoffices where the postmaster's salary is merely nominal and where, at times, the expense of conducting the office equals the compensation.

A fight among a prty of men and women diners, all in evening clothes, in the Hotel Rector on Broadway yesterday may cost the life of Eugene Bozonizzi, a young waiter. The dining room, well filled with late supper parties was the scene of intense excitement when two men were seen to engage in a fist fight, while their women companions tried to separate them. One of them received several fist blows in the face and was about to bolt for the door when he seized a heavy cut glass water bottle and with a long swing let it go at the man who had struck him. The bottle went wild and hit Bozonizzi, whose tray of dishes was upset as he dropped to the floor in a heap, unconscious. At the hospital it was said his skull was broken and that he would probably die. The party in which the fight had centered escaped without their identity becoming known.

The body of a woman believed by the police to have been slain, was found in the marsh at the end of Continental street, North Tarrytown, N. Y., Wednesday evening by two boys. It had been in the water about six weeks. Coroner Ilas, of Yonkers, learned that Policeman Tracy had heard a woman scream in the marshland about six weeks ago. There is nothing on the body to identify it. The face is well preserved and is that of an attractive woman about 25 years. She was dressed entirely in black.

MRS. EATON IS GUARDED IN JAIL

Another Arrest May be Made in Connection With The Admiral's Death.

MRS. HARRISON IS ILL.

Police Unable to Ascertain Where Powdered Arsenic Was Procured—Still Searching For Will.

Plymouth, Mass., March 21.—Another persons may be brought here today under arrest in connection with the gradual unfolding of the mysterious murder of Rear Admiral Joseph Giles Eaton. This is known from the statement of State Officer Scott and the continued activity of the polce.

While Mrs. Eaton, harged with the murder of her husband is carefully guarded in the woman's wing of the county jail here, the authorities are endeavoring to expedite her trial in every possible way. District Attorney Barker has already obtained from Chief Justice Aiken in Boston an order for a special session of the grand jury next week. If an indictment is found against Mrs. Eaton the case will go directly before the Superior Court and hearing set for March 28 at Hingham will be omitted.

The police admitted today that they have not yet discovered where, and by whom the powdered arsenic, which caused the admiral's death was bought. A close search was carried on today.

At the Eaton home in Assinippi, Mrs. George Harrison, mother of Mrs. Eaton, is confined to her bed and has requested that the details of the case to be withheld from her.

Dorothy Ainsworth and Mrs. June Keyes, Mrs. Eaton's daughters by her first husband, were still in ignorance of the arrest.

The will, said to have been made by Admiral Eaton, following the scandal arising three years ago, when Mrs. Eaton accused him of having poisoned their adopted child in which it is reported he cut off his wife and Mrs. Keyes, leaving all his property to his other stepdaughter Dorothy, had not been found today.

Mrs. Eaton is quoted as saying:

"The idea of accusing me is ridiculous. They have absolutey nothing to base such an accusation upon. My whole ncome and susentence depended absolutely on the admiral's living and hasec eased with hs death. The most I can ever hope to get is not more than $50 a month as a widow's pension; it probably wont be mor than $30."

Brockton, Mass., March 21.—Denial of the report current that a second rrest was to be made shortly in connection with the death of Rear Admiral Eaton at his home in Assinippi was made today by District Albert F. Barker.

"There will be no second arrest unless developments not now inidcated warrant one. It is a gross injustice to circulate such reports," indignantly said the district attorney.

Wash., March 21.—Admiral Eaton's widow, held in Massachusetts on a charge of poisoning her husband, nursed the Admiral's first wife during her last illness, friends of the Eaton family here stted today. The first Mrs. Eaton died here in 1906 of apoplexy. Admiral Eaton failed to pay any of the funeral expenses, the undertaker declared today.

Congressmen Take Flight.

Washington, March 21.—Representative Samuel Padgett, of Tennessee, chairman of the House Naval Commitee, which is now returning from a trip of inspection through the canal zone, took a little whirl Wednnesday in the army aeroplane at Guantanomo, Cuba.

The information was flashed by wireless to the naval authorities. Padgett was up for about 15 minutes and with ideal atmospheric conditions the aviator took the Tennesee representative on a most thrilling jaunt.

At the same time Representative Rathrick, of Ohio,, made a ten minute flight with Ensign Herbster.

FUNERAL NOTICE.

The funeral of the late George W. Mundy, who died at his residence, 332 South Alfred street, Wednesday, March 19th, 1913, will take place at Roberts Chapel, M. E. Church, 2 p. m. Sunday.

ACTION IMPERATIVE.

Without wishing to increase the alarm already felt by many parents in Alexandria of the danger to their children from dog bites, the Gazette believes that action looking to the extermination of stray dogs in Alexandria and the passage of muzzgling ordinance by City Council is absolutely necessary.

The two deaths of residents of hydrophobia and biting of two children on Thursday is enough to make any community excited. It may cost the city a few dollars to keep the dog wagon constantly at work, but no expense should stand in the way of the protection of children from the worthless curs that roam the streets.

City Council should take definite, positive action next Tuesday night.

PREPARING FOR BIG GAME.

Cardinals to Play Practice Game Sunday and Monday.

With good weather prevailing, the Cardinals have been able to get together during the past few days and indulge in batting and fielding practice, which has had a tendency to get the many players trying out for the team in tiptop shape for the big game on March 31 with Manager C. Griffith's "Climbers."

Owing to large number of players who have been trying out for team Manager Crump and Capt. Cockrell have not as yet decided on the ones who have made good, and to help them determine on the line-up they have arranged to play two games, on Sunday afternoon and Easter Monday, the game on Sunday to start at 2:30 p. m, and on Monday at 4:30 p m. MAY INHERIT ESTATE.

E. L. Scharf Heir to Prince-Bishop Will go to Europe to Press Claim.

Dr. Emil L. Scharf, of Washington, at one time a resident of Alexandria, having been recently advised by his brother, a judge of Alsace, that the estate of his great-uncle, Bernard Galara, at one time prince-bishop of Brixton, Tyrol, may revert to the family, is now preparing to go to Europe to pres sthe restoration.Were the property to be restored Dr. Scharf, as the oldest direct heir,would take possession.

Dr. Scharf's grand-mother was a niece of the prince-bishop, and his heiress by will, but was denied possession because of political complications whice arose between her family and the Austrian government. The Prince-Bishop Glaura was born in 1764 and lived to be 92 years old. He was a priest for 68 years and a bishop for 38. He was a personal friend of the Emperor of Austria, who conferred upon him many honors and positions of trust. At the invitation of the King of France in 1832 he presided over the first anti-slavery congress held in Europe. His father was an officer in the army of the Duke of Lorraine, of which family his mother was a member.

KING O F HELLENES.

War Continues—Bulgarians Claim Great Victory—Five Hundred Turks Said to Have Been Killed.

Athens, March 21.—With the briefest and the simplest ceremony possible, King Constantine today took the oath in the Chamber of Deputies, thereby becoming actually the king of the Hellenes, successor of his father, King George, assassinated at Salonika.

The king then prepared to leave Athens for Salonika this afternooon and it was announced that he would return to the capital next Thursday with th body of King George.

London, March 21.—Dispatches from Sofia today claimed a great victory for the Bulgarians at Chatalja. It was said that five hundred Turks were killed when the Ottomans attacked a Bulgar division.

Two days statements from Canstantinople reported a desperate battle at Chatalja in which the Turks claimed to be the victors. The Turkish reports said that the Bugars were repulsed at several points and suffered heavy loss.

The Whar Office here professed to believe that both reports referred to the same engagement, both sides claiming the victory.

FLOWERS FOR EASTER.

One of the finest diaplays of blooming plants and cut flowers is shown at the display rooms of the Dunbar Floral Company, 822 King stret. It will certainly be a treat to the lover of flowers to visit this establishment and inspect the many handsome potted plants just covered with blooms in every shade of color to delight the eye. Some of the finest blooming spireas ever grown are shown in Mr. Dunbar's store, while beautiful blooming rhododendons, potted roses and some fine specimens of the American beauty rose bushes covered with nice red roses must be seen to be appreciated by the Easter buyer. Large beautifully cut carnations are seen in profusion, this flower being one of the Dunbar Company's special. Finer sweet peas and violets have seldom been seen in Alexandria at this season. With the profusion of fine fresh cut flowers on display and the big stock of a very large variety of handsome potted plants in full bloom it will repay the visitor to go to the store and feast the eyes with their beauty.

The first arrest by the police in their crusade against handbills and other advertising matter which is distributed on the streets was made this morning, when J. H. A SPLENDID TESTIMONIAL.

Mr. Callahan's Book Gives Great Satisfaction.

Among the letters of congratulation received by Mr. Charles H. Callahan, on his book, "Washington the Man and the Mason," is the following from General Isaac R. Sherwood, representative in congres from Ohio and chairman of the Committee on Invalid Pensions.

General Sherwood, it will be recalled, was the author of the famous "Sherwood Pension Bill", and both he and his wife are literary critics of note.

March 19, 1913.

Charles H. Callahan,
Alexandria, Va.

My Dear Sir:—I have bene reading your great bok on George Washington, with enlivened interest and profit. I class it as a great book because it treats of a subject in a masterful manner. For half a century it has ben conceded tha tno more was to be said of Washington than had already been written; that history had said its last word. But you have adde dmuch of interest and value to all previous histories of aWshington. I read with abiding interest and Profit. Washington Irving's life of Washinston, conceded, from a historical standpoint, to be the most accurate and reliable of all previous histories; but you have given us phases of Washington's domestic life, especially in the decade following the old French war, of intense value that I have found nowhere else. Incidents in his domestic life, given in chaste and elegant diction, that are a true revelation of the home life of the greatest military and civic character of that epoch, or any epoch.

I refer to your depiction of Washington's domestic life at Mount Vernon, covering the decade imemdiately following his happy marriage to Martha Custis.

I am also much interested in the illustrations. They are not only artistic and valuable, but are intellectually illuminating. I refer especially to the full page lithograph in colors of Washington, from a painting, the last before his death; and the striking pictures of Washington, taken in the uniform of an officer when he was only forty years old.

This book should be in every home in the United States. I heartily congratulate you as the author. It is not only a meritorious and engaging tribute to the greatest American, but a splendid contribution to the literature of patriotism.

ISAAC R. SHERWOOD.

Other unsolicited testimonials were received from Mr. Harrison Dodge, of Mount Vernon, and Julius F. Sachse, Librarian of the Grand Lodge of Pennsylvania.

THE ALABAMA FLOODS.

Water Continues to Rise, Flooding Many Towns.

Mobile, Ala., March 21.—Flood conditions throughout the entire stricken section district were not improved yesterday. The water continued to rise, flooding small towns that have heretofore escaped the deluge and adding greatly to the misery and suffering of the thousands of persons who have been made homeless.

Service on the Louisville and Nashville Railroad, between Pensacola, Fla., and Flomaton, Ala., was suspended yesterday, because the tracks between those cities at many places are more than five feet under water.

In Pine Barren, Fla., where the entire section is under five feet of water, the residents are using boats to do business. At Brewton, Ala.; Pollock, Ala., and other stricken cities the conditions were slightly bettered, because relief parties carrying food, medicine and clothing reached the refugees by means of boats and rafts.

Indianapolis, Ind., March 21.—Two deaths and a score of injuries were reported from state points as the result of a gale which swept a large part of Indiana early today. At Frankfort, O. A. Vice, a cab driver, was killed by a falling roof. At Lafayette a falling sign crushed Henry Wallers.

Columbus, O., March 21.—One workman was killed and three others seriously injured when a wall at the Burdell Sweatpad factory, which is being rebuilt, was blown in by the high winds which swept this section today.

Michigan City, Indiana, March 21.—The fishing tug Elsie B, her owner and three seamen are supposed to be lost in the blizzard which has been raging over Lake Mchigan. The Elsie B left Michigan City early last evening. Other tugs sent to her rescue have returned to port bringing no tidings of the missing boat.

Shreveport, La., March 21.—Saline, a town of two hundred inhabitants, fifty miles from here, was wiped out by cyclone last night. Five persons were killed and thirty injured. Sixty buildings were demolished. Relief trains were rushed from here to Salin today.

Muncie, Ind., March 21.—Damage aggregating thousands of dollars was done in Muncie nd Delaware county by the storm which swept over this section of the state today. Service wires of the Muncie Electric Light Company, which supply Hartford City, Dunkirk and Red Key, were blown down and the three cities will be without lights. One house was demolished and many houses unroofed in Muncie.

HOT CROSS BUNS.

Production of Old England—Bakers Furnish Large Supplies Today.

The custom of eating hot cross buns on Good Friday is growing in this country. The bakers' wagons which supplied stores with the staff of life at an early hour this morning carried these delicacies also, and many graced breakfast and dinner tables, and they will doubtless be in evidence at family gatherings at the close of the day

In "Mother Goose's Melodies," that classic of the young , a cadaverous looking individual is pictured carrying a basket and ringing a bell. He is also singing,

Hot cross buns, hot cross buns,
One a penny, two a penny ,
Hot cross buns.
If your daughters don't like 'em,
Give 'em to your sons.
One a penny, two a penny,
Hot cross buns.

The display in bakers' windows today brought to mind the above.

Pope's Condition.

Rome, March 21.—The condition of Pope Pius X was not alarming today said the Vatican physicians, but they admitted it to be a possibility that heart failure might attack the pontiff if he did not soon rally from weakness. Since his recent influenza, Pope Pius has been listless and inactive, showing a weakness that Prof. Marchafava would like to see disappear.

It is the opinion of his physicians that the death of hs sister, Rosa Sarto, has played a large part in the indisposition of the pope, and for that reason hs remaining sisters and brother, Angelo Sarto have been frequent visitors.

Interesting and Instructive Services at Episcopal Theological Seminary

Holy Week was observed at the Episcopal Seminary near this city, by a partial suspension of lectures until, and including Thursday before Easter. All lectures were over by half-past ten, followed by Divine Service at 11 o'clock. Professor Rollins preached on Monday, Professor Green on Tuesday, Professor Kennedy on Wednesday, Professor Bell on Thursday, and Professor Wallis today, being Good Friday. The usual solemn service of Holy Communion was held on Maundy Thursday night, in commemoration of the institution of the Holy Supper by our Lord Himself on the night of which He was betrayed.

There is a full suspension of lectures from Thursday after lectures on that day until Tuesday morning, the 25th instant. Many of the students have gone to their homes for Easter.

The Rev. Professor Bell left for Lexington, Va., where he will preach on Easter Day. The Rev. Professor Green will preach at the University of Virginia Chapel on that day, and Professor Kennedy at Waynesboro, Va.

Messrs. Carleton Barnwell and T. S. Will, students in the senior class from the diocese of Maryland, will, at the request of the Bishop of Maryland, be absent from the Seminary every Sunday for work at and near Alberton, a short distance from Baltimore. This will necessitate their withdrawal from the mission at Braddock under Christ Church. The congregation at that place will regret this, as they have been most faithful in their ministrations there.

Mrs. Micou, widow of the late Professor Micou, has been visiting her daughter, Mrs. Daniel, for a few days. Her numerous friends were very glad to see her again. Mr. Paul Micou, her son, also accompanied her. He is a member of the present senior class with permission to study at the Philadelphia Episcopal Divinity school, so that he might have a better opportunity for the consultation of libraries in editing his father's work on Christian Apolojetics.

Mrs S. F. Houston, of Philadelphia, has been visiting at "The Wilderness," the home of Dean Crawford.

Profesor Green's sister, Mrs. Page, with her daughter, Miss Jean, a visiting here at "The Abbey."

Mrs. E. S. Meade, of White Post, Clark county, Va., with her son, Master Edgar, and daughter, Miss Lucy, is visting her relatives at "Oakwood."

MARRY SISTERS.

Two Virginia Couples Surprise Their Friends With a Double Wedding.

A romantic double wedding, the two grooms being brothers and the two happy brides sisters, took place yesterday afternoon at the New Willard Hotel, Washington.

The brothers are Lee F. Titus, aged 25, and Townsend B. Titus, aged 28, both of Lucketts, Loudoun county, Va., and the sisters, are, or rather were, Mary G. Stoneburner, 23, and Lucy E. Stoneburner, 26, both of Lovettsville, Va. The brothers are sons of B. T. Titus, a business man of Lucketts, and the sisters are the daughters of William C. Stoneburner, prominent in Lovettsville. The marriage was in the nature of a surprise to the families of all concerned.

The couples came to Washington yesterday morning. They were [illegible] by Rev. Samuel Smith, of [illegible]sylvania, an uncle of the brides. [illegible] them went direct to the court- [illegible] where they procured licenses. [illegible] there the party went to the ho- [illegible] where the uncle performed the [illegible]monies.

TWO WOMEN CLAIM MAN.

[illegible]g of Warrant Alleging Desertion Leads to Arrest.

[illegible]mond, Va., March 21.—Police- [illegible] Waymack, of the Third station, went to the home of the former Mrs. Homer Wills, at 3015 Midlothian Turnpike, Swansboro, Wednesday, afternoon to place Thomas E. Moore, 35 years old, of Norfolk, under arrest on the charge of desertion. His visit resulted in the charge of bigamy being preferred against Moore.

Captain Leonard Knapp, of the Norfolk police force, arrived in Richmond Wednesday morning with a warrant for the arrest of Moore, Charging him with being a fugitive from justice in that city. The warrant was turned over to Major Louis Werner, chief of the local police and it was placed in the hands of Wymack.

Believing that Moore was a boarder in the home of Mrs. Wills. Wymack proceeded to the house to take charge of the man. Finding him at the house Moore was told to consider himself under arrest.

"You can't arrest Mr. Moore for deserting a wife in Norfolk," exclaimed Mrs. Wills to the policeman. "He is my husband, and if you don't believe it I will show you our marriage certificate." She proceeded to get the certificate, and it was set forth that Moore and Mrs. Wills were married in Philadelphia on March 5th. Saying that he would take good care of the certificate, the policeman placed it in his pocket, and Moore was then carried to the Third police station, where Captain Knapp and Captain Alexander Wright, of the Third district were awaiting their trrival.

Upon looking at the marriage certificate, Captain Knapp immediately swore out an additional warrant against Moore, charging him with bigamy.

Moore is said to have left Norfolk about seven months ago. Coming to this city he secured board and lodging in the home of Mrs. Wills about two months ago.

APPEAL DENIED.

State Tribunal Refuses Writ Sought By Allen's Attorney.

Richmond, Va., March 21.—On the ground that no federal question is involved, Judge James Keith, president of the State Supreme Court, yesterday refused to grant an appeal to the Supreme Court of the United States to Claude Swanson Allen, who is awaiting execution with his father, Floyd Allen, for their part in the Hillsville court murder on March 14, 1912.

Having failed in the only chance that remained in a Virginia court, counsel for Claude Allen announced last night they will apply tomorrow afternoon to Chief Justice White in Washington, for a writ of appeal and supersedeas, their claim being that the prisoner was twice placed in jeopardy for the same crime.

This proceeding does not affect the status of Floyd Allen, who will be executed in the State penitentiary on March 28. Claude Swanson Allen will die on the same day unless a writ is secured today from the Chief Justice of the Supreme Court of the United States.

MEDICAL COLLEGE.

Faculty to be Elected Tomorrow Morning.

Richmond, March 21.—For the purpose of electing the faculty of the mergered Medical College of Virginia a meeting of the board of visitors of that institution will be held tomorrow morning at 10 o'clock in the University College of Medicine. It is expected that the full corps of teachers will be selected at that time.

The nominating committee appointed at the first meeting of the new board for the purpose of recommending the appointments. After many sessions and a thorough canvas of the situation the committee is now ready to make its report. Like all the efforts at consolidating the two medical colleges the meetings of the nominating committee have been attended with the utmost harmony, the one idea prevailing, the betterment of the great institution.

The nominating committee is composed of Henry L. Cabell, chairman; Dr. Paulus A. Irving, W. R. Miller, E. L. Bemiss, Dr. W. L. Harris and Eppa Hunton, jr.

While the nominating commttee has been strugging with its monumental task, the various other committees appointed at the organization meeting of the new board of visitors have accomplished the duties assigned to them and are ready with detail reports for the board meeting tomorrow.

DEATH OF SOUTHALL.

Was Several Times Democratic Presidential Elector From Virginia.

Lynchburg, Va., March 21.—S. Valentine Southall, of Charlottesville, a Maj. on Brig. Gen. Long's staff, in the Confederate army, and several times Democratic presidential elector from Virginia, died here yesterday, while visiting his daughter.

He was 83 years old.

The remains were shipped to Charlottesville, and the funeral will be held from Christ Episcopal Church at 4:30 p. m., today. The interment will be in Maplewood Cemetery.

Maj. Southall was the third son of Valentine Wood Southall, who was born in 1793, at Westham, Goochland county, Va., whose mother was a sister of Patrick Henry. He was born in Charlottesville, and in 1852 began to practice law in Lynchburg. The next year he moved to Charlottesville. For many years he was president of the Miller board and president of the Bank of Albemarle. Several years ago he retired from the practice of law and devoted himself chiefly to literary pursuits. Three children survive him: S. V. Southall, Jr., of Emporia, Va.; Miss Mary Southall, of Charlottesville, and Martha, the wife of the Rev. J. B. Dunn, of this city.

PETITION FILED.

Aftermath of Collision Between Steamers in Bay.

Norfolk, March 21.—A petition for a limitation of liability has been filed in the United States court here by the Indian Line, owner of the steamship Indrakuala. In the petition it is set forth that the value of the steamship and her cargo is approximately $375,000 and that there arenow pending against her claims for the recovery of damages amounting to more than $250,000, and that other persons killed or injured by the collision are likely to assert claims against the vessel.

For these reasons the court is asked to appoint a commissioner to ascertain the value of the vessel, and permit her owners to pay that sum into court or to give bond for that amount, and to issue an order requiring all persons having claims against the steamship to present them to the court here, and to enjoy in all such persons from prosecuting claims elsewhere. It is said that Judge Waddill will probably sign an order in connection with the matter some day this week. This may be done today.

The litigation grows out of the collision between the Indrakuala and the Julia Luckenbach, in which the latter was sunk and many lives lost. In the petition it is said that the damages sustained by the Indrakuala aggregate probably $100,000.

The sum in controversy is one of the largest amounts ever in litigation before the Admirality Court here.

Nineteen-year-old Rena Newhouse Bruce, of Washington, and Charles Victor Dessez, of the same city were married yesterday under unusual and exciting circumstances. Engaged to be married to another man, Miss Bruce listened to the ardent wooing of young Dessez as he sat on his motorcycle yesterday, said "Yes," and a minute later the two were speeding away to Rockville, soon to be made man and wife.

OBSERVANCE OF GOOD FRIDAY.

The present season of the year is regarded with solemnity by Jew and Gentile alike, as certain feasts are almost synchronous, centring as they do about the vernal equinox.

Catholics, Episcopalians and Lutherans make it a solemn season, and the services are of a nature to appeal to all.

The last week of Lent brings to our attention the most sacred and solemn acts in the mission of the Great Teacher, while to the Jew the anniversary of the deliverance of the race from Egyptian bondage and later the miraculous interposition of the Creator in thwarting the cruel purpose of Haman, Grand Vizier of the Persian King Ahasuerus, who in order to wreak vengeance upon one man (Mordecai) would have exterminated the Hebrew race.

Haman was the last of the Amalekites, whom the Children of Israel had been directed to exterminate, and the natural race hatred born in Haman so incensed the haughty vizier when the Jew refused to prostrate himself before him that he became desperate, and attempted to put in motion a movement which would have caused Rachel to weep for her children again.

The book of Esther is one of the most interesting and suggestive books ever penned. While the name of God does not occur in it, His providence is as plain as the noonday sun. Haman virtually digs his own grave and falls into it at the time set. There is nothing miraculous in the book—it being a simple chronicle of facts.

During the services in synagogues the entire book is read.

HE WAS A MASON BEFORE A POLITICIAN.

Before 400 members of the Evangelist Chapter of the Rose Croix Scottish Rite Masons, last night, Vice-President Thomas R. Marshall a member of the Supreme Council of the Northern Jurisdiction and a 33rd. degree Mason, the highest rank in the world, declared that he was a Mason before he was a politician. He said:

"Brethern of the Scottish Rite, I object to being introduced as the Vice President of the United States. I was a man before I was a Mason, and a Mason before I became a politician. I have known some good men who were not Masons, and a few Masons who were not good men, but I have never known but one good politician, and he is dead.

"I have never joined any societies but the Masons and the Presbyterian Church. Yet I believe that I know something about men and society. I consider the Masonic order one of the greatest institutions of America. I look to the future with a more hopeful view because I believe in the sincerity of the Mason to preserve equal rights to all and accord special privileges to none, and I say this without regard to politics."

Before the Vice Presient was introduced, however, a toast had been proposed to the President of the United States, and Carter B. Keene, who responded, had caled upon every master Mason to uphold the new chief executive in performing his duty to the nation.

Mr. Keene reviewed the history of masonry and declared that Masons are born and not labeled. Some men, he said, are Masons unconsciously. He said:

"President Wilson devoted his youth to study and self-improvement. Was that not Masonic? He was kind to the poor and inclined his ear to the oppressed. Is that not Masonic?"

NEARING LIFE'S CLOSE.

Former Governor Black Given up by Physicians.

Troy, N. Y., March 21.—Following a sudden turn for the worse last night, Frank S. Black, former governor of New York, has been given up by his physicians. Death is expected at any hour.

Only a year ago ExGovernor Black announced that he had made $500,000 in law practic and that on March 3, 1913, his sixtieth birthday, he would retire from active practice and live on his income. His retirement took place as scheduled and a few days afterward his illness of heart trouble began.

In announcing his retirement Black said $500,000 would supply an income enough for any man and his family. His friends tried to dissuade him, contending that he was still in the prime of life and might build hs fortune into two or three millions before his retirement would be forced by age. But the veteran lawyer and poitician refused to consider the idea and when his birthday came around a few weeks ago, he quietly gave up his practice and retired to his home in this city.

Ex-Governor Black said. "After a certain point is reached it isn't money a man should work for—but time. The man who goes beyond that point—who trades his vitality for money—is simply checking out more than he has in the bank of health.

"If a man waits until he can afford a thing, he never has it. If he waits a definite time for his pleasure he may find that he has lost the capacity to enjoy when that time comes. Money is good for nothing except to spend and in the country you can get for nothing what you can't buy in the city."

The former governor is one of the most porminent Republicans in the state. He is a native of Maine, a graduate of Dartmouth and a former newspaperman. He was an ardent admirer of James G. Blaine. From newspaper work he entered New York state politics, becoming the leader of Rensselaer county and going to Congress. He became governor in 1906.

Troy, N. Y., March 21.—Former Gov. Frank Black was still alive today but was unconscious and death was expected at any moment. Despite everything his physicians could do as he was growing weaker every minute.

GIRL SCALPED IN PART.

Tresses Drawn in by Cogs of a Spinning Machine in Darby.

Darling, Pa., March 21.—Dropping her back hair comb while working in the Spencer Griswold worsted mill here yesterday, Miss Anna Sheeran, 16 years old of Sixty-sixth street and Greenway avenue, West Philadelphia, stooped hurriedly to pick it up. As she did so her long tresses were caught in the cogs of a spinning machine and drawn in.

The imperiled girl shrieked, and workmen hastened to the engine room to stop the machinery. They were not a second too soon, as Miss Sheeran's head had been drawn down in a distressing position to the floor, and she was already partly scalped.

Twenty minutes were required in manipulating the machine and cutting off what remained of her hair to release her. Then she was almost dead. But after Dr. Lee had sewed up her scalp wounds she was sent home, suffering greatly from shock, but will recover.

SMILES.

KIND OF NICE.

It's kind of nice to get back home,
When your hard day's work is done,
And smoke your pipe by the kitchen door,
In the rays of the sinking sun,
And doze a bit while your good wife cooks
A meal fit for a king to eat,
For a hard day's work makes some old corned-beef
And cabbage right hard to beat.

It's kind of nice just to watch the kids
At play 'round the old back door,
While your good dog, Tige, licks your outstretched hand,
Then scratches his fleas some more
And the kids all whoop for their ma has rung
The welcome dinner bell,
And all hands eat in a way that shows
They're happy and strong and well

It's kind of nice when the lamp is lit
And you don't care a bit to roam
For a man's best hours are spent like this
In a happy, peaceful home.
As you watch the good wife darning socks
You marvel how cards and dice
And booze can attract a man from home,
I tell you, it's kind of nice.

If a negro tried to rob his place of business, would Owen Lynch him?

If all the lights at Rosemont went out, would C. E. Dare to go out after dark.

Heavens! Easter is here already and violets cost five cents a piece three for ten.

In the rooms of one of our social organizations several nights ago, a 'phone call was answered by a talented young man who is well known to us all.

A fine young voice at the other end of the wire lisped sweetly, "Is Mr Blank there?"

"No, Miss," replied the afforesaid talented young man, adding facetiously, to show his wit, "but there are several other gentlemen here."

"Then ask one of them to come to the phone, please," lisped the sweet voice.

He knows the titles of our lands,
Can call each by its name,
And tho' considered quite a catch,
Is single just the same.

We do not know why this is so,
But believe that he's to blame,
For he's the apple of the eye
Of widow, lass and dame.

You don't know who this bachelor is
Who's gotten all this fame?
'Tis handsome Douglass Stuart,
Now, you see, we've told his name.

Alienists yesterday examined the first "crank" of the Wilson administration. The man gave his name as Dr. Charles A. Schwab, of Dallas, Texas. He is being detained in the Washington asylum, in which institution he was placed Tuesday when arrested by Secret Service men on his arrival in Washington. The man said he was on his way to the White house to be sworn in as President and he had in his possession a number of written messages purporting to have been sent to him by Chief Justice White, of the Supreme Court. It is believed that he wrote them himself.

A New Kind of Roofing

Asphalt Gravel That Will Last Ten Years—Can be Used Anywhere.

Cumberland, Md. — Among the many improvements at the new Y. M. C. building is the asphalt gravel roof (Security brand) that was put on under direction of Mr. Adam May.

A fairy tale is told about this roofing by Mr. A. M. Strickland, of Elkton, Md. About fifteen years ago he built the Elkton Foundry and covered the roof with Security Asphalt Gravel roofing and four years afterward the building and contents were consumed by fire. Nothing was left but the walls and roofing.

Being of an economical turn of mind he ordered the carpenters to cut down the roofing in strips, losing only the laps.

He used these strips of roofing on the new foundry building and it is in good condition today after ten years of active service.

It would be difficult to believe such a tale, because tin, iron and slate or any other composition roofing would have gone to smash or curled up and blown away in such a conflagration.

There is reason to believe that this true, because it stood the test in a similar fire in the B. & O. hay shed at Mt. Clare Station, Baltimore, some years ago.

This roofing can be purchased of

EGGS VERY CHEAP.

Market Plentifully Supplied at 23 Cents Per Dozen.

The mild weather of the past week has been productive of a very large egg crop, which is good news at this season, and for Easter Sunday it is certain that no one need be without fresh eggs. The market is well supplied with fresh country eggs, which are bringing from 22 to 23 cents a dozen. Of vegetables the most exacting housewife will find a good variety with the quality up to the best Easter standard. Asparagus is still 20 cents a bunch for large bunches, and spring onions and lettuce, fresh from the Southern truck farms and some home grown, are displayed. They sell at three bunches for 5 cents and 5c and 10s a hea drespectively. Large Indian River Flordia oranges are now on the market. They are from 40 to 45 a dozen. Splendid cauliflower, small heads, are 10 cents, while the largest bring as much as 20 cents. Fresh Southern grown tomatoes are now selling for 10 cents a pound for fine large specimens.

In the meat line it is announced that the dealers will have on sale tomorrow the first of the new spring lamb for this season. Hindquarters are quoted at 35 cents, and forequarters 25 cents per pound. Other meats are in about the same scale of prices as last week, there being no change in the prices except in hams, smoked hams having gone up two cents a pound.

Chickens are not in great demand this week, and prices consequently are very reasonable. Butter is holding up in price, selling from 35c to 45 cents for the trade marked brands.

FIGHT IN ZION.

Workmen, Angered by Nine Months of Prayer, Charge Meeting.

Chicago, March 21.—An elder of the Zion Church was probably fatally injured, three others suffered badly battered faces and scores of followers of Wilbur Glenn Voliva sustained broken heads yesterday when rioting broke out afresh in Zion City between the anti-tobacco crusaders and employes of the Cook electrical plant.

Angered by nine months of continuous prayer and singing outside of their plant, the workmen charged the camp of the crusaders across the road and broke up the meeting. Elder W. S. Peckham is in a serious condition. He was hit over the heart and rolled down an embankment.

Other crusaders were badly bruised.

Crossed Ocean in Motor Boat.

Captain Thomas Fleming Day, of New York, editor of the Rudder, a periodical devoted to the interest of boating, and other aquatic sports, was a guest of honor at a dinner given by Washington yachtsmen at the New Raleigh last night. Among the clubs represented was the Alexandria Boat Club.

John P. Welcker acted as toastmaster, and after the cloth had been removed Captain Day gave an illustrated talk on his experience on the yawl Sea Bird and later the 35-foot power boat Detroit in crossing the Atlantic.

Car Jumps Switch.

Binghampton, N. Y., March 21.—charge of a strike-breaker, a crowded troley car jumped a switch yesterday, rolled across the pavement and side-walk, broke through an iron fence and overturned against a terrace, fatally injuring one man and painfully injuring a score of other passengers.

The man who will die of skull fracture, the physicians say, is Charles Heinck, a city firemen. Wallace Osier also suffered a fractured skull but will recover and his brother Harry, was seriously cut. Mrs. James Foley was another seriously injured. The others suffered painful but minor cuts and bruises.

The city authorities have been asked several times during the street car strike to investigate the handling of cars by incompetent strike-breakers. A number of less serious accidents have occurred but the Public Service Commission and the local officials have refused to take up the matter. Today's accident forced the police to make an investigation.

Believes This Will "Cure Lung Troubles"

Consumption is a flattering disease—that is one of its chief dangers. Those who have it are rarely willing to acknowledge the fact. If this trouble is present, it is no time for trifling. If a so-called "cold" has long persisted; if a cough is present that keeps you anxious, or any of the symptoms are present, such as fever or night sweats, weakness and loss of appetite, and perhaps some raising of mucus—do the sensible thing:—take Eckman's Alterative—as Mr. Bettersworth did

Bowling Green, Ky., R. No. 4.

"Gentlemen: I wish to say for your Alterative that I believe it to be a medicine of unequaled value for all Bronchial and Lung Trouble. The Spring of 1908, I had a severe cough for six months. I tried all the medicine that my doctors recommended to me, but no results came for the better. I had night sweats, and would cough and spit until I got so weak I could hardly do anything. But, at last, James Deering, of Glasgow Junction, insisted that I try your medicine. In one week's time there was quite an improvement in my condition, and after I had taken several bottles, I felt as well as ever in my life.

"I desire the world to know that I firmly believe that your Eckman's Alterative will cure any case of lung trouble if taken before the last stage. I will gladly write personally to any party wanting information in regard to your wonderful medicine." (Sworn Affidavit)

A. C. BETTERSWORTH.

Eckman's Alterative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in upbuilding the system. Does not contain poisons, opiates or habit-forming drugs. Ask for booklet telling of recoveries and write to Eckman Laboratory, Philadelphia, Pa., for more evidence. For sale by all leading druggists

NEWS OF THE DAY.

A joint naval demonstration by Austria and Italy is expected should Montenegro and Servia answer unsatisfactorily complaints lodged by Austria in which she is supported by Italy. Six Austrian warships have already sailed from Pola on the Adriatic in connection with the affair. At the same time, it is reported, 14,000 Servian artillery and infantry have been dispatched to help the Montenegrins at Media. It is also reported that Italian transports are ready to sail. Austria's complaints relates to the murder of an Austrian priest at Tejakova, high-handed treatment of the crew of the Austrian merchant ship Skoda, at Media; the shelling of an Austrian convoy, the slaying of Austrian nuns, and the conversion under duress of Austrian Catholics to the Greek Church.

Mrs. Elizabeth Milbank Anderson, who has made gifts amounting to more than $3,700,000, it became known yesterday gave $650,000 for social welfare laboratories to be conducted by the New York Association for improving the condition of the poor. Announcement of the donation was made by the society, along with its letter of acceptance. The money was given March 5th.

Hilda Johnston, 8 year old daughter of Mrs. Carrie L. Johnston, of Washington, was crushed to death yesterday by an automobile in which were Dr. Daniel L. Borden, and his father, Dr. William Cline Borden, dean of the Medical School of Georgetown University. The child was on her way to school with her mother, who accompanied her daily, when at 18th and California streets she broke away from Mrs. Johnston and started to skip across the pavement ahead of the woman. In avoiding a street car the child missed seeing an automobile which Dr. Borden was backing down California street preparatory to going forward south on Eighteenth street Hilda ran into the path of the automobile, which knocked her down, and one of the rear wheels passed over her crushing her chest.

Testifying before Vice-Chancellor Stevenson, of Jersey City, Mrs. Jessie Wood, of Paterson, N.J., said her husband, James G. Wood, from whom she wanted to be divorced, was the personification of laziness. She said that since she married him in 1902 he showed hatred for work of any kind. For nine month's she had to wash her husband's face, and had to dress him, she said. When Vice-Chancellor Stevenson called for the defense, counsel for Wood said that his client fled when he heard his wife's testimoney. Vice-Chancellor Stevenson told Mrs. Wood he would grant her the decree.

The body of a man was found floating in the Washington channel near the sea wall opposite M street yesterday afternoon by Frank Boswell and John Flurry. The men were fishing from the wal, when the body came to the surface. They notified the harbor police who lifted the corpse into a launch and took it to the morgue, where it awaits identification. There are no marks of violence on it.

MRS. McGILL BROKE DOWN

Gives the Real Facts In Regard to Her Case and Tells How She Suffered.

Jonesboro, Ark.—"I suffered a complete break down in health, some time ago," writes Mrs. A. McGill, from this place. "I was very weak and could not do any work. I tried different remedies, but they did me no good.

One day, I got a bottle of Cardui. It did me so much good, I was surprised, and took some more.

Before I took Cardui, I had headache and backache, and sometimes I would cry for hours. Now I am over all that, and can do all kinds of housework. I think it is the greatest medicine on earth."

In the past fifty years, thousands of ladies have written, like Mrs. McGill, to tell of the benefit received from Cardui.

Such testimony, from earnest women, surely indicates the great value of this tonic remedy, for diseases peculiar to women. Are you a sufferer? Yes? Cardui is the medicine you need. We urge you to try it.

N. B.—*Write to:* Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.
